

Brit Floyd's VIP M&G Soundcheck Experience.

Brit Floyd will be offering an incredible VIP Meet & Greet Soundcheck package for all our 2019 shows!

On arrival at the venue at 5pm on the show day, each guest will be given a special Brit Floyd VIP Meet and Greet Soundcheck Experience tour pass and lanyard and will have an exclusive opportunity to browse through all the show merchandise and to chat to the show personnel pre show.

The VIPs will then be invited by Brit Floyd's tour manager into the venue auditorium for the private Soundcheck experience.

Brit Floyd's musicians will treat the VIP audience to a special bonus performance of two classic Pink Floyd songs not featured in the evening show, and then afterwards will come down from the stage to meet all the guests.

The musicians will be happy to chat with the VIPs, sign merchandise and have photos taken. Brit Floyd fans can expect to be treated to a memorable and personal experience!
