City and Colour

Monday, May 18 at 7:30pm at UPAC in Kingston

Singer/Songwriter Dallas Green's *City and Colour* has resonated throughout the international independent music scene. Following the 2005 debut *Sometimes*, and the Double-Platinum certified *Bring Me Your Love* (2008) Green **debuted at #1** in Canada on three consecutive releases -- the Double-Platinum *Little Hell* (2011), the Platinum *The Hurry and the Harm* (2013), and Gold-certified *If I Should Go Before You* (2015). Notably, *If I Should Go Before You* also debuted at **#16** on the U.S. *Billboard* 200 Chart and **#5** in Australia where Green's LP *Little Hell* was certified Gold. His sixth full-length studio album is *A Pill for Loneliness* (Still Records).

Beyond his legacy as a co-founder of hardcore luminaries **Alexisonfire** where Green received Platinum-certification for all four of the band's full-length records, he also teamed up with global icon Alecia Moore (a.k.a. P!nk) to record as folk duo **You+Me**. Not only did their debut *rose ave.* attain Platinum certification in Canada, but it also topped the Canadian chart at #1, the Australian chart at #2, and soared to #4 on the *Billboard Top 200* in the USA. Katie Pruitt will open the show.
