Bardavon Presents announces that due to illness the October 24 Frankie Valli & the Four Seasons concert at UPAC has been rescheduled to Sunday, March 6 at 7pm at UPAC. Tickets for the October 24th show will be honored on March 6. Call the Bardavon or UPAC box offices for more info.

Frankie sends his fans the following message:

***Hi Everyone,
I'm disappointed to say what we thought was the flu is actually pneumonia. I am doing much better after a couple rounds of antibiotics...But the doctors tell me it's going to be a couple months before I'm back at full steam and ready to tour again. So sadly, I am postponing all my concerts through the end of the year. I am thrilled that we were able to reschedule your date and I can't wait to perform for everyone in 2022.***

All the best, Frankie Valli
