widened the band's sound considerably, and the follow-up album found percussionist Brian Rosenworcel playing a drum set on several songs. Multi-instrumentalist Joe Pisapia joined the line-up in 2003, allowing Guster more freedom to explore a combination of folk, pop, and rock.

## **Diana Krall**

**Saturday, April 2 at 8pm at UPAC**

Diana Krall is the only jazz singer to have eight albums debut at the top of the Billboard Jazz Albums chart. To date, her albums have garnered two Grammy Awards, ten Juno Awards and have also earned nine gold, three platinum and seven multi-platinum albums. Krall's unique artistry transcends any single musical style and has made her one of the most recognizable artists of our time. As The New York Times recently noted Krall possesses, "A voice at once cool and sultry, wielded with a rhythmic sophistication".

Every generation an artist comes along who transcends a particular style of music and broadens its audience to the masses. For modern jazz music, that artist is undoubtedly Diana Krall. A jazz pianist and singer known for her contralto vocals, Krall has sold more albums than any other female jazz artist in the last 30 years, establishing herself as one of the best-selling artists of her time. After marrying Elvis Costello, she worked with him as a lyricist and started to compose her own songs, resulting in "The Girl in the Other Room." The album, released in April 2004, topped the Jazz Albums and Canadian Albums Charts, while also reaching #4 on the Billboard 200.
