20 million albums sold!

EN VOGUE

Saturday, December 4 at 8pm at UPAC in Kingston

Legendary! It's a status very few groups ever attain. But for 30 years and counting, En Vogue has achieved this pinnacle on nothing but pure talent. And they are not letting up now. Still riding high off the global release of 2018's *Electric Café*, their first album in 14 years, En Vogue is literally soaring as Terry Ellis, Cindy Herron-Braggs and Rhona Bennett take the group to even greater heights.

Formed in 1989 in the Bay Area, En Vogue, comprised then of Ellis, Herron, Dawn Robinson and Maxine Jones, began their official takeover in 1990 with their hit single, "**Hold On**" from their critically-acclaimed debut album, *Born To Sing*, which reached number one on both the dance and R&B/Hip-Hop charts. Since then, they have sold over 20 million *physical* albums. More impressively, they have transitioned effortlessly into the digital age, garnering over 30 million streams and 26 million plus YouTube views for their Top 6 hit singles alone, which, in addition to "**Hold On**," includes "**Free Your Mind**," "**Never Gonna Get It**," "**Giving Him Something He Can Feel**," "**Don't Let Go**" and "**Whatta Man**" (feat. Salt N Pepa).

Made possible in part with support from Harambee Kingston and the Upstate Theater Coalition for a Fair Game
